Monk Office

JUNE - JULY

Make back to school shopping for September extra SIMPLE! Log on to Monk's site and place an order for your child's grade. The entire list will be put together for you (including any optional items you choose). So you can skip the whole shopping in store process! You can also choose to have the supplies delivered directly to the school so you don't have to do a thing! **The PAC receives a 10% donation for every ONLINE order** received by Monks by the order deadline (usually near the end of July). Deadline to have the supplies shipped to the school is also the end of July. However, you can continue to place orders online at any time all summer and pick up in store or have them delivered for a fee to your home.

When you return bottles to The Bottle Depot, tell the staff to put the return under the account **"South Park Grade Fives"** and the money will go towards that school year's grade five grad activities.
